

A black and white illustration of a city skyline. In the center is a large, symmetrical building with a central pediment and two wings, each containing several windows. To the left of the building is a tall, thin, tapered structure resembling a monument or obelisk. To the right is a horse rearing up on its hind legs. The entire scene is composed of a grid of dots, with some dots forming the outlines of the buildings and the horse, and others forming a background pattern. The image is framed by a simple black border.
